

Dear Parents,

I hope you all had a great weekend watching the game and I wanted to thank you for contributing to such a positive experience for everyone involved. This email is to remind you of The Sideline Project and the importance of positive sideline behaviour. If you haven't already, please take a moment to sign the pledge at the following link: <https://cmfsc.ca/sideline-project>.

Additionally, I wanted to share with you a blog post that outlines the main objectives of the CMFSC program. While I will do my best to achieve these goals, I will also need your support! Our program aims to teach values such as respect, resilience, and teamwork, while developing our players' tactical understanding, soccer game sense, technique, and fitness.

You can find the blog post [here](#).

Thank you for your continued support, and I am looking forward to a great season ahead.

Best regards,
