# How do I change my Team Name?

Users with **manager access** to a team can change the team's name at any time, just follow these few easy steps:

- Log into your team through the *browser* version of TeamSnap (not the app)
- Click on the **Manager** tab
- Click **Team Settings**

- Click to **Edit**
- Adjust the **Team:** to change the *name*
- Click to **Save**
