Spappz and the Referee Game Report

Next you choose whether the player/team official is receiving a red/yellow card and provide infraction details.

The screenshot shows a web browser window with the URL https://bccsl.ca/webapps/spappz_live/update_player_stats?reg_year=2025&sched_seq_no=8639. The page header includes the BC Coastal Soccer League logo and navigation links: HOME, SCHEDULES, CONTACTS, CUP PLAY, PORTALS, REFEREES, RESOURCES, ABOUT. The main heading is "Player Game Stats".

Below the heading, there are instructions: "Enter Player Stats" and "Enter Player stats then click Update to continue adding." A red note states: "When done, click the 'Finished / Done' button to complete this process (IMPORTANT)."

The form fields are:

- Team: Metro B2007 - FRIDAY (dropdown)
- Player / Staff / Team Level: Choose (dropdown)
- Time: (input field) (in minutes only, e.g. 79 = 79th minute of the game)
- Stat Type: Goal (dropdown)
- Stat Sub Type: Choose Stat Type (dropdown)
- Notes (required if red or yellow card): (input field)

The "Stat Sub Type" dropdown is open, showing options: Goal, Red Card, Yellow Card, and Use of Ineligible Player.

Buttons and instructions:

- Update button: You must Click Update to save changes above
- Finished / Done button: You must click finished when done to finalize this process (IMPORTANT!)
- Date Finished: !! Not Finished - Need to click the Finished button to update !!

At the bottom, there is an upload section: "Upload a copy of your game roster if required by your league. Image must be a .jpg format." A sample roster image is shown below the text.

Click Update and then enter your next infraction. Once all infractions are entered, click Finished/Done.
