

Under 11/U12/U13 Game Field Setup

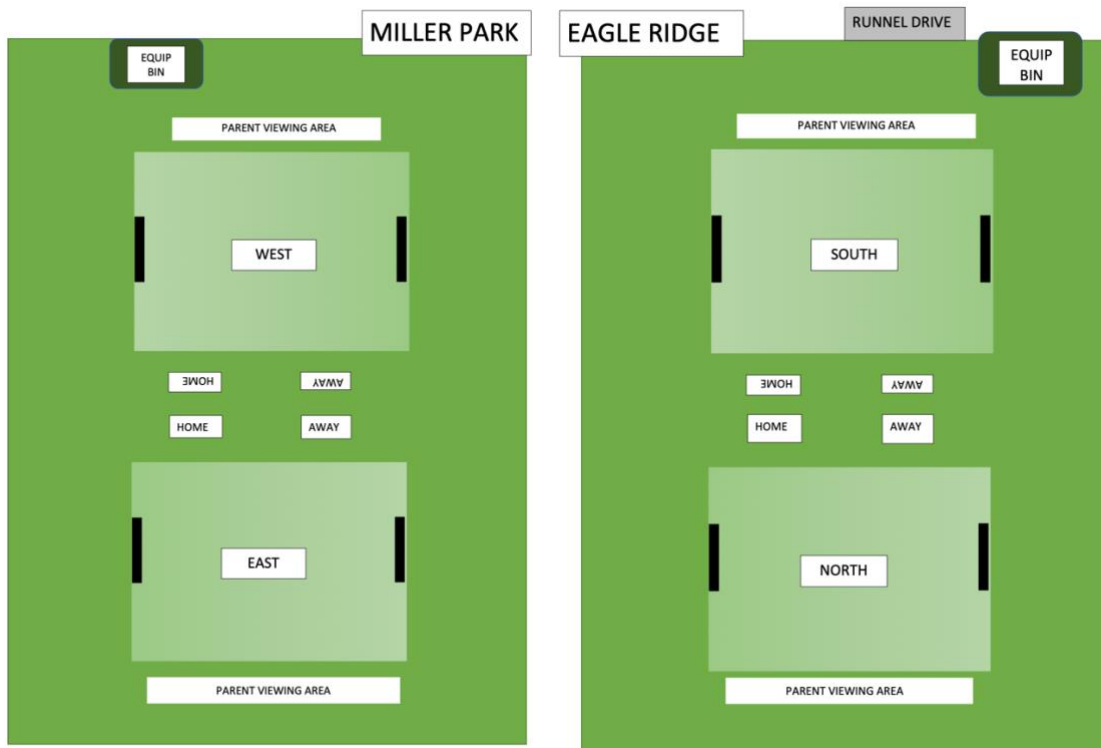

FIELDS

Under 11/12/13 games will be played on either turf (Town Centre, Centennial, Charles Best, Eagle Ridge) or grass (Miller Park, Eagle Ridge).

TURF Field Setup (two fields on a full-sized turf field)

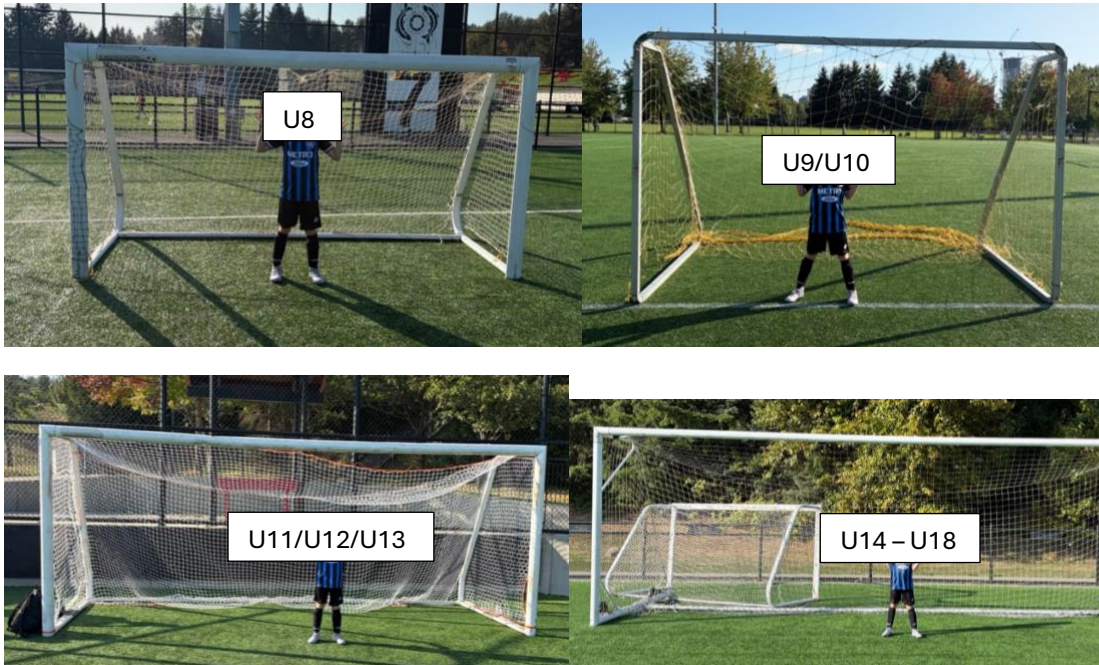

Games may also be scheduled on grass at MILLER or EAGLE RIDGE

GOALS

If you are on a grass field, the goals will already be in place.

There are multiple goals at Town Centre Park, Centennial, Best, Eagle Ridge. Under 11/12/13 games are to use the SUPER 8 goals. There are a total of 4 of them on each turf field. You will need to move them into place for your game.

FIELD SETUP

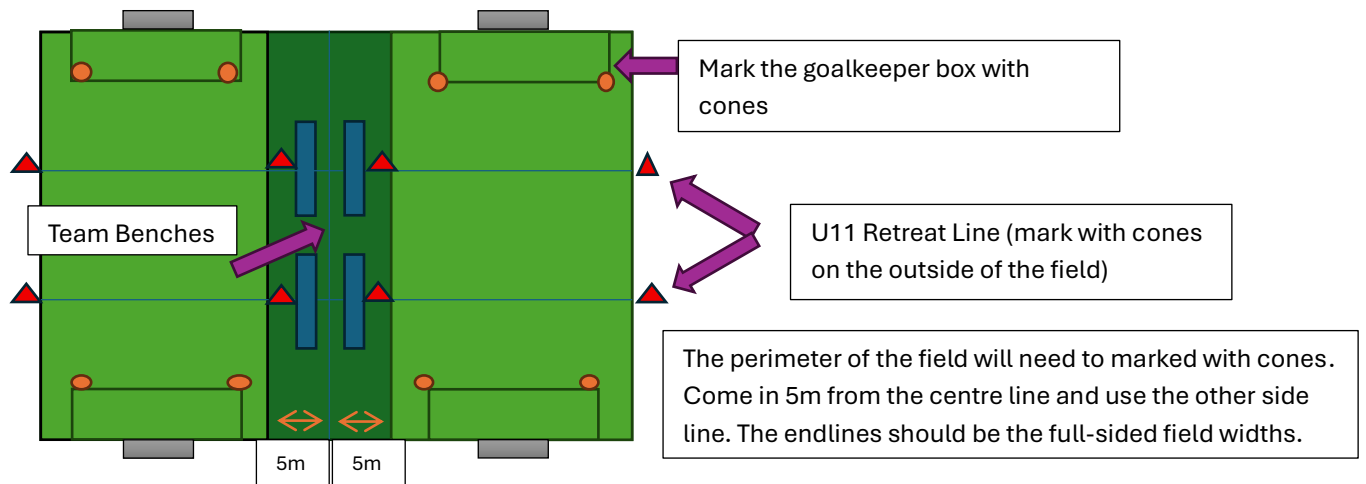

First Game and Home Team:

- Fields are 42m – 55m width x 60 – 75m length (roughly)

TURF FIELD

- Move goals into place at both ends
- **Turf** do **NOT** have perimeter lines painted, so you will need to use cones to mark the perimeter of the field every 5-10m, we suggest you use the outer lines of the full sized field for one side.
- Use cones to make a goalkeeper box (11m from goal posts, extended 11m into field of play)
- U11 ONLY – you will need to mark the 1/3 line for retreat on each side of the field (there is NO offside at U11).
- Place cones on the corners of the field
- After a game has ended, if there is another game, please exchange cones with the next team so that they do not have to reset the field.
- If you are the LAST game of the day and the home team, please move the goals back to the fence and pickup all cones.
