

Player Name:

Coaches Name:

Team Name:

Age Group:

**WHAT DOES....**

**Emerging look like?**

Skill or concept is new to the player. Prompts or reminders are consistently needed to see player attempt to perform these during games.

**Progressing look like?**

Player demonstrates partial understanding and ability of the skill or concept and attempts to perform skill on their own with varied success during games.

**Proficient look like?**

Complete understanding of the concept and is consistently successful in performance during games without the need of reminders or prompts.

**Extending look like?**

The player performs concepts or skill as second nature and is the top performer at this particular skill at every game (including opposition).

	Emerging	Progressing	Proficient	Extending
<b>Coachability</b> (Respectful, discipline, hardworking, wants to learn)				
<b>Ability to keep possession</b> (Positioning to receive, decision making on the ball, passing and receiving ability)				
<b>1v1 Attacking</b> (Chooses the right time to go 1v1 and is effective in creating opportunities for themselves or teammates)				
<b>1v1 Defending</b> (Is effective in winning the ball back in 1v1 situations and is able to keep the ball)				
<b>Positional Understanding</b> (Do players understand how to play in defense, mid-field, and attack)				
<b>Striking Ability</b> (Ability to strike the ball with both laces & instep)				
<b>Athleticism</b> (Speed, quickness, agility, strength, balance)				
<b>Commitment Level:</b>	90% - 100%	80% - 89%	70% - 79%	69% or less
